

TAYLOR-DUNN®

Commercial and Industrial Vehicles Since 1949

The Best Way to Go About your Business

CELEBRATING 60 YEARS 1949-2009

Moving Materials or People?

How many minutes/hours a day are lost by walking from one place to another?

Bet you would be surprised!

The amount of valuable time spend walking can be substantially reduced. Be it moving materials or supervising an operation, Taylor-Dunn has the solution.
